Jelly Bean Prayer

Red is for the blood He gave,
Green is for the grass He made.
Yellow is for the sun so bright,
Orange is for the edge of night.
Blue is for the sins we made,
White is for the grace He gave.
Purple is for His hour of sorrow,
Pink is for our new tomorrow!

A bag full of jelly beans,
So colorful and sweet,
Is a prayer, is a promise...
Is a special treat!

Lessons from the Easter Bunny:
Don't put all of your eggs in one
 basket.  Everyone needs a
friend who is all ears.  There's no such thing as too
much candy.  Everyone
is entitled to a bad hare day.
 Let happy thoughts
multiply like rabbits.  Keep your paws off other
people's jelly beans.  The
grass  is always greener in
someone else's basket.  To
show your true colors, you have
to come out of your shell.

The tide recedes but leaves behind
 bright seashells on the sand,
 The sun goes down, but gentle warmth
 still lingers on the land,
 The music stops, and yet it echoes
 on in sweet refrains...
 For every joy that passes,
 something beautiful remains.

 With Sympathy

Do not stand by my grave and weep
 I am not there...I do not sleep.
 I am a thousand winds that blow
 I am a diamond glint on snow
 I am the sunlight on ripened grain
 I am the gentle autumn rain.

When you awake in the morning hush
 I am the swift uplifting rush
 Of quiet birds in circling flight
 I am the soft starshine at night.
 Do not stand by my grave and cry
 I am not there...I did not die.
