Monkey Munch

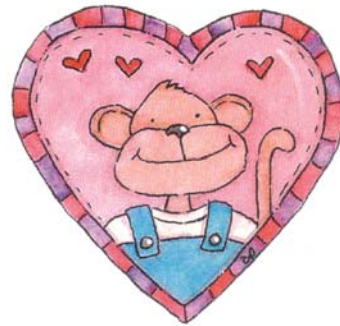

Here's a gift idea with lots of a-peel! Monkey Munch is quick to assemble, and the ingredients are printed right on the stamp itself (so you'll never lose the list). Or, if you wish, you can use a store-bought trail mix...choose one that contains dried banana chips, of course!

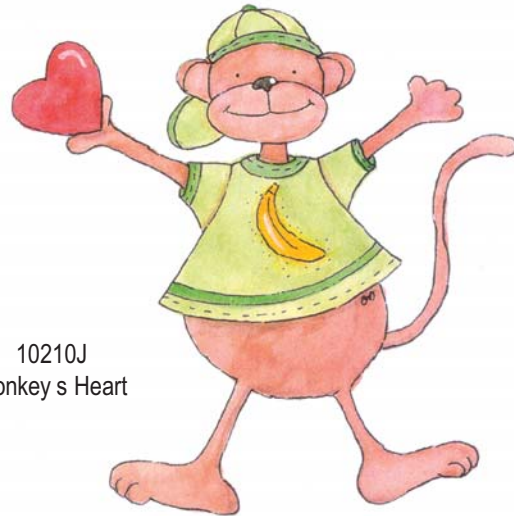

Place Monkey Munch in a cello bag tied with ribbon, and add a handstamped tag. Or use our 10189X Tall Bag Template to make an adorable mini-tote decorated with the coordinating images shown at left. Kids and adults alike will go ape over it!
